How does it work?

If you've scheduled an appointment type that qualifies for our Virtual Waiting Room, you'll receive a unique link via text and/or email within 3 hours of your appointment.

Simply click this link upon arrival to let us know you're here!

We'll let you know when we're ready.

After clicking the link, you'll see a statement that our office has been notified of your arrival. We will give you a call or send you a text when we're ready for you to come inside.

Why Virtual Waiting Room?

Avoid Exposure to Illness

Traditional waiting rooms often require patients to touch shared surfaces and breathe shared air. Our Virtual Waiting Room supports social distancing and reduces risk of illness.

Wait in Comfort

Our Virtual Waiting Room gives patients with qualifying appointments the freedom to wait privately in a car rather than confining you to a potentially crowded waiting room.
